Jashore, Bangladesh · On-site, Hybrid and Remote

SUMMARY

Senior Visualizer and Graphic Designer with **6+ years** of experience, including creative roles at **Chaldal Ltd., Sheba Platform Ltd.**, and Go Nature BD. I specialize in branding, visual identity, digital marketing, motion graphics, and **AI-assisted** design, delivering creative solutions for leading organizations and international clients across diverse industries.

Beyond creating visuals, I lead creative projects from **concept to execution**, collaborate with **cross-functional teams**, and transform business goals into impactful brand experiences. My work focuses on combining **strategic thinking** with strong **visual communication** to build consistent brands, engage audiences, and support measurable business growth.

EXPERIENCE

Senior Visualizer

Go Nature · Jashore, Bangladesh | Hybrid · Feb 2025 - Present

Bangladeshi health and wellness brand specializing in premium food supplements and consumer healthcare products.

- Led the creative team, overseeing end-to-end branding and marketing projects.
- Established and maintained brand identity across packaging, print, and digital marketing assets.
- Produced social media creatives, motion graphics, and commercial videos aligned with marketing goals.
- Used AI-powered tools to accelerate creative workflows and improve content production efficiency.
- Recruited and mentored designers and collaborated with print vendors to ensure high-quality project delivery.

Visualizer

Sheba Platform Ltd. · Jashore, Bangladesh · Jan 2024 - Sep 2024

Bangladesh's leading technology-enabled services platform, delivering digital solutions across multiple consumer and business brands.

- Led the Jashore creative team, ensuring high-quality visual output across multiple business brands.
- Designed marketing assets for ShebaPay, SManager, SBusiness, FinTech, and other digital products.
- Partnered with marketing teams and presented creative concepts to senior leadership, including the CEO.
- Maintained brand consistency while optimizing creative workflows for faster project delivery.
